

POLICY: WEBSITE DISCLAIMER

The information on the Web Site* is provided for informational purposes only and is not a substitute for professional advice. You should seek the advice of a health care professional in all matters relating to your health.

Under no circumstances will the Section for Health Policy & Administration (HPA) be liable for any damage caused by reliance upon information obtained through the Web Site. The information provided is not meant as a substitute for professional advice from a legal, health care, financial, accounting or other professional. It is your responsibility to evaluate text, content, opinions, statements, suggestions, strategies, tactics, or other information available through the Web Site. Any reliance upon any material is at your own risk.

The HPA does not represent, warrant or endorse the accuracy or reliability of any information displayed, uploaded, downloaded or distributed through the Web Site by any user, or any other person or entity.

You hereby warrant and represent that you are at least eighteen (18) years of age (21 in some jurisdictions) and have the legal capacity to use this Web Site. HPA makes no representation or warranty that the content published on the Web Site complies with the local laws of your jurisdiction. You are solely responsible for knowing and understanding your local laws concerning content legality. If you are unable to make the representations and warranties contained herein, do NOT use the Web Site.
